Mandatory USSA/FIS Helmet Requirements for all Sanctioned Competitions*

Crash helmets

The use of crash helmets is compulsory for all events. The shape of the helmet must conform to the shape of the head. The distance measured at any point between the outside surface of the helmet and the head shall not exceed 7 cm. Helmets with visors or integrated face shields, detachable or not are not permitted.

The crash helmets used for international FIS competitions shall comply with the standards applicable for crash helmets for alpine ski competition (crash helmets to be used in GS/SG/DH).

Compliance with the standards is to be attested by the corresponding specific standardised conformity label affixed in a non removable way at the back of the helmet in a location which is and shall remain visible. The label shall in particular not be covered by the goggle strap. The conformity label (Label "RH2013") confirming compliance with the standard applicable to helmets to be used for international FIS competitions is shown in attachment. The labels affixed by manufacturers shall comply with the specifications set forth in the enclosure below:

Label attesting conformity with FIS specifications for Alpine racing helmets (GS/SG/DH):

* FIS - Specifications for Competition Equipment Edition 2016/17
